

## Member of the Board of Directors

### Debbie Simpson

*I believe all young people should have access to sex education at school, and all women should be able to make decisions about their own body.*

Debbie Simpson has over 25 years of broad finance leadership experience. She has held Vice-President roles at Encana Corporation and was actively involved in the successful merger that created Encana, the corporate split that formed Cenovus Energy, and many other strategic initiatives and organizational changes. Debbie has extensive knowledge and skills with governance and board practices, enterprise risk management, internal and contract auditing, regulatory and legal compliance, anti-fraud programs and investigations, project management, oil and gas accounting, and internal controls over financial reporting.

Her drive for pragmatic results through knowledge sharing is evidenced as she spearheaded the Anti-Fraud Program and the current Corporate Risk Management program, both at Encana. This enthusiasm continues at the CSHC as Debbie works with the Board and management to implement an effective governance framework that is easy to understand, communicate and sustain.

Debbie is a Canadian Chartered Professional Accountant and Chartered Accountant (CPA-CA) with a Bachelor of Science in Pure Mathematics with distinction.
