

Member of the Board of Directors

Pam Krause

I believe that the work of the Calgary Sexual Health Centre in providing people with education and support in the area of healthy sexuality concretely assists people in learning to engage in healthy relationships and is integral to overall community wellness.

Pam Krause is the President and CEO of the Calgary Sexual Health Centre (CSHC). She has been with the Agency since 2001, taking on the leadership role in 2004. Graduating from the University of Calgary with a BA in Political Science, Pam began her career in municipal and provincial politics.

An advocate and activist on issues related to equality and social justice, Pam has worked and volunteered in the Calgary non-profit community for the past 20 years.

Under Pam's leadership, the Calgary Sexual Health Centre has grown and today is the only non-profit organization in our community that provides comprehensive sexual health education programs and services to people across the lifespan.

Pam brings a wealth of experience and insight to her leadership role at the CSHC. She is one of Calgary's strongest voices on issues related to sexual and reproductive health.
